Susan Dobie has been a Senior Analyst since 2019 and is supervisor of germination-purity department. My journey to become a seed analyst is serendipitous. Growing up in a city, no one expected my journey would take me to a career in agriculture but here I am 15 years later!

The responsibility for any seed sold under this Report with respect to Grade or any other specification rests entirely with the seller.
Accredited by CFIA to conduct tests in accordance with the laboratory's scope of accreditation and the Canadian Methods and Procedures for Testing Seed.
